WHW – Residency in Bristol & Cornwall

Application process for funded support to enable regional exchange & dialogue

ProjectBase & Situations are co-hosting a curatorial residency by What, How and for Whom in the South West in October 2008. The residency is supported by Curatorial Network (www.curatorial.net) and Arts Council England South West.

We are offering financial support to up to 5 curators and artists living and working in Cornwall and the South-West who wish to attend the events in Bristol which form part of this residency programme. The financial support is intended to assist with costs for independent practitioners or small organisations and it is not anticipated that they will be awarded to revenue funded or larger organisations.

Details of Bristol events:
